*National RV is proud to introduce the Caribbean diesel pusher motor coach—designed for those who are uncomfortable driving a wide body motor home but don't want to compromise on features or quality. Caribbean sets a new standard by being the first luxury pusher that's easy to drive without limiting livability.*

*The foundation of a great motor home begins with the chassis system and the Caribbean is no exception. We bonded our patented Duraframe chassis system to the exceptional Spartan Summit 2000 chassis to create a solid, functional foundation. Utilizing Allison's next generation technology, the Caribbean features the all new Allison 1000 Series 5-speed overdrive transmission—the smoothest shifting transmission available today at any price. And the 260 HP Cummins diesel motor coupled with Caribbean's compact design results in a tremendous amount of power. This unique combination results in a high performance, fuel efficient diesel pusher optimized to take you up the steepest grades quickly and in comfort.*

*Caribbean's spacious interior—made possible by a full lounge slide—is a perfect complement to its powerful platform. Crafted in solid oak or walnut,*

*Caribbean's cabinets are made of the finest materials available in its class. Seating is exceptionally comfortable for even the longest adventures. Upgrade to rich Connolly leather seating surfaces to augment the experience. The addition of ceramic tile flooring, a one-piece fiberglass shower enclosure and standard Corian® solid surface counter tops ensure that your Caribbean is not only the world's easiest driving coach, but one of the most enjoyable coaches to live in.*

#### **About National RV**

*National RV has established itself as a premier motor home company with a reputation for offering innovative, quality products that feature a rich supply of value-added features for a reasonable price. National RV has over 37 years of experience as a manufacturer-not merely an assembler. Many distinctive features are designed and manufactured in-house such as garden shower tubs, custom dashboards and luggage doors to guarantee quality and superior fit and finish. National RV has also*
